

REMARKS/ARGUMENTS

The present Response is filed responsive to the Notice of Non-Compliant Amendment mailed April 4, 2011 concerning the listing of claims contained in the Amendment filed November 17, 2009. The Notice of April 4, 2011 is identical in substance to the Notice of Non-Compliant Amendment mailed December 16, 2009.

The December 2009 Notice was never received by our office and the present application was deemed abandoned. A Petition under 36 C.F.R. § 1.181 to withdraw holding of abandonment was filed on September 3, 2010, which Petition was granted on March 23, 2011.

In addition, on September 3, 2010, Applicant filed a Response to Notice of Non-Compliant Amendment responsive to the Notice of December 2009. The Response of September 3, 2010 attempted to correct the lack of markings showing changes made with respect to claim 13. However, the Response filed September 3, 2010 was filed while the present application had been deemed abandoned and may not have been entered into the record for that reason. The present Response therefore once again corrects the listing of the claims to show the markings showing changes made for claim 13.

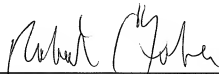

The listing of the claims filed herewith replaces the claim listing filed with the Amendment of November 17, 2009. The amendments to the claims are fully supported by Applicant's disclosure.

In view of the foregoing, Applicant respectfully requests that the amendments to the claims be entered into the record as provided in the attached listing of the claims and that the claims of the present application now be allowed.

Respectfully submitted,
